

Add GraceLink - Personal Calendar to Outlook

By looking in GraceLink, you can easily access to all the events that are relevant to you, your GraceLink groups and ministries by going to the Calendar page. Under your campus, open up Events. Under the Calendar tab, mouse down to the drop down menu on the right side and expand it to select *Personal Calendar*.

The screenshot shows the GraceLink interface for 'Grace Ohio - Bath'. The left sidebar contains navigation options: Home, People, Groups, Events (circled in red), Check-In, Schedules & Plans, My Giving, Forms, Communication, and Reports & Metrics. The main content area is titled 'Events' and has tabs for 'CALENDAR' (circled in red), 'ATTENDANCE', 'ROOMS & RESOURCES', and 'APPROVE EVENTS'. Below the tabs is a blue banner with the text 'Create and Manage Events Here.' and a 'LEARN MORE' button. Below the banner is a 'CALENDAR' section with a date selector for 'August 2022', a 'Live Search' box, and a dropdown menu. The dropdown menu is open, showing 'Admin Calendar' (circled in red), 'Personal Calendar' (circled in red and pointed to by a red arrow), and 'Admin Calendar'. Below the dropdown are radio buttons for 'Campus-wide Calendar' and 'Public Calendar'. The calendar grid shows events for August 2022, including 'Collective LA M', 'Bible Camp', and 'Sports Day Cam'.

The calendar will reload and you will be able to see events related to you.

You also have the option to look at the Campus-wide Calendar, or, if you have privileges, the Administrative Calendar and view either the Admin Campus-wide, Admin Public, Admin Facilities, or All Events Admin Calendars. These may include other events ontop of the "Personal - Your Calendar".

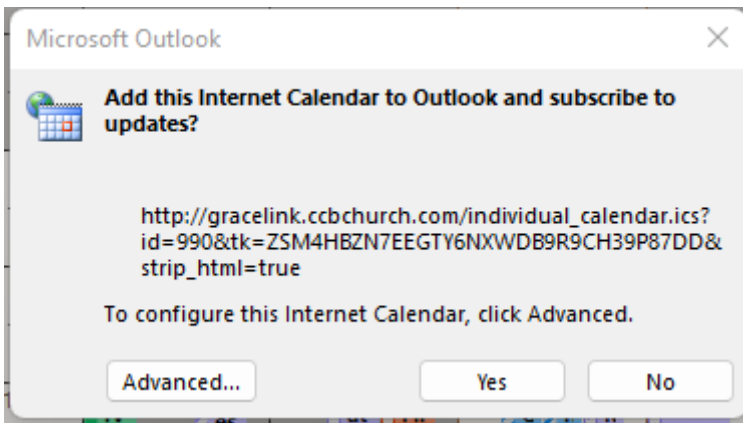

We can also add a calendar ICS of this directly to Outlook. Below the calendar you have the option to click to "Subscribe to my calendar"

Once you allow Outlook to open, this will come up

You may want to open Advanced settings to change a few preference related settings, like naming the calendar in Outlook. By default it will name the calendar: *Personal Calendar for Full Name* . Here I rename it to *Personal GraceLink Calendar* to help me recognize it is an internet calendar from Gracelink. I also personally checked *Download attachments for items in this Internet Calendar* incase there are attachments I want to look at.
