

# Wordpress is logging you out repeatedly

Currently the Multisite has an issue with logging you out of the blue. If the site is logging you repeatedly, one thing you can try is to clear the cache out of your browser that you are editing on. Refer to the Clear Caches and Cookie guides for your specific browser:

- [Clear Google Chrome Cookies/Cache](#)
- [Clear Microsoft Edge Cookies/Cache](#)
- [Clear Mozilla Firefox Cookies/Cache](#)
- [Clear Safari Cookies/Cache](#)
